NOTE FROM the MD - Sales & Marketing

As the Director of India Carpet, I extend my warmest greetings to you.

At India Carpet, we take immense pride in our rich heritage of crafting exquisite rugs and carpets that epitomize timeless elegance and superior craftsmanship. Our journey, spanning 20+ years, has been a testament to our commitment to excellence, innovation, and customer satisfaction.

Our team of skilled artisans, designers, and craftsmen works tirelessly to create bespoke masterpieces that reflect the cultural heritage and artistic finesse of Indian weaving traditions. We believe that every rug and carpet tells a unique story, blending traditional techniques with contemporary designs to transform spaces into expressions of beauty and luxury.

We are grateful for the trust and support of our customers and partners worldwide. Your feedback, collaboration, and continued patronage inspire us to push boundaries, innovate, and strive for excellence in everything we do.

As we look ahead, India Carpet is poised for further growth, expansion, and innovation. We are excited about the opportunities to collaborate on new projects, create bespoke designs, and enhance living and working spaces with our exquisite range of custom-made rugs and carpets.

Thank you for being a part of our journey. We look forward to continuing to exceed your expectations and bring beauty, comfort, and sophistication to your spaces.

RAJESH KUMAR

Director - Kalpra Exports Pvt Ltd

NOTE FROM

MD - Textile Design

As the Director of Textile Design at India Carpet, I bring over a decade of rich experience in the textile industry. My journey has been marked by a deep-rooted passion for creating exceptional designs that blend tradition with innovation, elevating India Carpet's global presence.

Professional Skills:

Design Leadership: Adept at leading design teams to conceptualize and execute high-impact textile designs for diverse applications including carpets, rugs, and home furnishings.

Market Insight: In-depth understanding of global textile trends, market demands, and consumer preferences, allowing for the creation of designs that resonate with target audiences.

Technical Proficiency: Skilled in using advanced design software such as Adobe Creative Suite and CAD programs to develop intricate patterns, colourways, and textures.

Supplier Collaboration: Proven track record of collaborating with suppliers and manufacturers to ensure the quality and feasibility of design production.

Strategic Planning: Experience in developing design strategies aligned with business objectives, resulting in enhanced brand positioning and market competitiveness.
